Candidate Course of Training with Cross Credits – 2023

Recognition is given for equivalent units undertaken by students at the other theological colleges of the Presbyterian Church of Australia. Credit for individual units may be granted upon application based on equivalent units or recognised prior learning (RPL). Below is a guideline of units in the Course of Training for which a candidate for the ministry of the PCA may expect to receive credit for prior study. Attention has been given to units offered by Moore Theological College and by the Australian College of Theology. This form may be used as a basis for applying for cross-credits. Please attach supporting documentation such as unit descriptions for non-ACT courses. Course requirements may vary from time to time.
