

CHRIST COLLEGE

# SHEPHERD LEADERS FOR LOCAL CHURCHES

TIMOTHY WITMER

## 19 AUGUST 2017

Our churches need shepherds who care for Christ's sheep. That is not only a call for ministers, but especially for elders, as well as for other leaders. Join Timothy Witmer for a one day conference which will equip and encourage elders and others to care for their congregations the way Jesus has called them to.

This will be an ideal day for teams of elders and leaders to spend thinking about their work in their local congregation.
