

CHRIST COLLEGE

---

**AUCKLAND**

2020

Christ College exists for the formation of Christ-centred leaders for God's church to God's world. From 2020 we'll be doing this in an additional location — Auckland.

The venue will be different, but our vision and mission will remain unchanged. We remain committed to the authority of the Bible, to Christ-centred Reformed Theology, and to transformative and applied theological education for adult learners.

## ● COURSES

As an affiliated college of the Australian College of Theology (ACT), Christ College is approved to deliver the ACT Diploma of Theology and Graduate Diploma of Divinity at the Christ College, Auckland Campus. We will initially be offering part-time study mode only. Students have an option to work towards a Bachelor of Theology or Master of Divinity at the Christ College, Sydney Campus.

## ● UNITS

In 2020, we will be offering first year New Testament Survey units via intensive mode at our Auckland Campus. From 2021, we plan to continue to run these units and add others enabling the completion of the awards listed above.

**Semester 1:** Jesus and the Gospels  
**Unit Code:** NT001-512/ NT001-712

**Dates:** 23-27 March 2020  
**Lecturer:** Ian Smith

This unit enables students to gain an understanding of Jesus Christ as he is presented in the New Testament Gospels. As a survey Unit, NT001-512/NT001-712 is concerned with enabling students to gain a firm understanding of the life and work of Jesus, and of the contents, themes, and theology of the Gospels.

**Semester 2:** The Early New Testament Church  
**Unit Code:** NT002-512/ NT002-712

**Dates:** 3-7 August 2020  
**Lecturer:** Ian Smith

This unit enables students to gain an understanding of the New Testament outside the Gospels, with a focus on the theology and mission of the early church as they are reflected in the Acts of the Apostles, the New Testament Letters, and the book of Revelation. As a survey Unit, NT002-512/NT002-712 is concerned not so much with the critical issues of New Testament studies, as with enabling students to gain a firm understanding of the contents, themes, and theology of the New Testament outside the Gospels.
